

Outstanding Safety Project: S.R. 426 Coalition
Owner: FDOT District Five
Location: City of Winter Park, Orange County

S.R. 426 Coalition: How We Got Here

Fix426: Our mission is to bring the community together, collaborate with leaders, and mobilize resources to create a safer road for residents, pedestrians, cyclists and commuters. We are working together as a community to radically reduce the number of traffic accidents that cause injuries/fatalities, and personal property damage.

Key Elements

- FDM 2023
- Context Sensitive Design
- Over 30 countermeasures considered, 19 incorporated
- Traffic Calming/Safety Elements
 - Raised Intersections
 - Raised PHB Crossings
 - Narrow Lanes
 - Raised Speed Tables
 - Speed Radar Signs
 - Pedestrian Barrier Walls through Curve
 - Dynamic Curve System
