

## **Stormwater Rule Update Overview: Clean Waterways Act Stormwater Rulemaking**

May 28, 2024

1 PDH

---

### **Presenters**

John Coates, PE - Director of the Division of Water Resource Management | FDEP

Borja Crane-Amores - Program Management Manager, Division of Water Resource Management | FDEP

Aaron Ray - Environmental Administrator, Stormwater and Technical Services Program | Division of Water Resources Management, FDEP

Emma Baird, PE – State Stormwater Engineer | Division of Water Resources Management, FDEP

### **Summary:**

This presentation will provide an overview of all pending updates and amendments to stormwater requirements that would apply under the updated Environmental Resource Permit regulations. The overview will cover the evaluation process, new performance standards, grandfathering provisions, and operation and inspection requirements.
